### **Library Resources**

- I will encourage my child(ren) to return all school resources (library books or other materials borrowed) on time and in good condition. I understand that it is my responsibility to compensate the school for any resources / materials that have been borrowed by my child(ren) and are damaged or lost while in their possession.

I understand that acceptance at Calgary Arts Academy does not guarantee continued placement. When documentation and information suggests that CAA programming may not be meeting my son/daughter's needs, I am aware that through collaborative discussions with the leadership team, we will reach a decision that is in the best interest of my son/daughter's academic and social progress. Decisions about continued registration are made on an annual basis.

Note: the minimum 10 hours is per family.
