Another Amazing Event!

Congratulations to CAA Students and Staff for another successful winter celebration at the Jube. A sold-out audience of family and friends was treated to a variety of curriculum-based performances.

In this issue ...

- School Council, 2
- Traffic Safety, 3
- Links, 3

CAA School Council

The year may be new, but CAA School Council is hard at work planning community events:

- January 19 - Family Yoga Night
- January 29 to February 2 - Souper Bowl Food Drive
- February 12 and 13 - Casino
- February 13 - CAA School Council and School Council Society Meeting
- February 15 - Sign Painting Night

Get Involved!

School Council is looking for volunteers to fill the following positions:

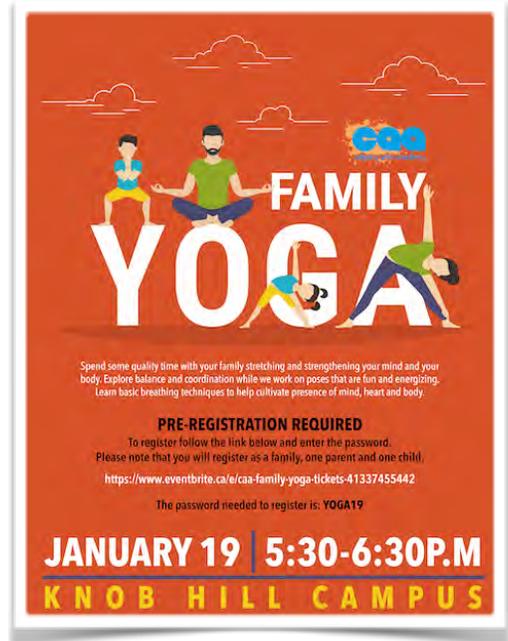

Charitable Initiatives Coordinators

We are looking for parents to help us set up our charitable initiatives. Working with the Chair, you will determine dates for the charitable drives, set up collection boxes and organize collection and delivery of items to the various organizations. Time commitment: 4 hours per month per drive (approx 6 per year)
Sharing available.

Special Lunch Assistants

We are looking for more parents to help out with the distribution of Healthy Hunger lunches at both Knob Hill and the Youth Campus. This is done on a rotating basis and will be organized by our Special Lunch Coordinator.

Time spent performing the functions of these roles can be applied toward your required volunteer hours of 10 per school year. If you are interested in either of these roles, please contact School Council at council@caaschool.com.

Knob Hill Traffic Safety

20th Avenue Traffic

Traffic during drop off and pick up times is a challenge to manage at all schools. CAA's Knob Hill campus has an even greater challenge because of the steep hill in front of the school. 20 Avenue is a narrow street and is especially tight when the buses are parked along the curb.

Please obey the traffic laws and no-parking signs near the school. U turns and jaywalking in the middle of the block are traffic offenses and put our students in jeopardy. Thank you for working together with us to ensure the safety of students.

Knob Hill Parking Permits

The Knob Hill campus now has 10 City of Calgary Parking Permits for visitors and volunteers. If you park in a "permit only" parking space on the street, please come to the office and bring your vehicle license plate number. Ms. Fischer will register you online for a permit which will allow your vehicle to be parked in a "permit only" zone in the neighbourhood. Please be aware that the parking passes apply to permit parking zones only, not to no-parking zones, and are valid only for the day issued.
