Application for Waiver - School Resource Fees

Each fiscal year, Calgary Arts Academy budgets an amount for families that are unable to cover the costs of the School Resource Fees. See “[Applying for a Fee Waiver](#)” to determine whether or not you qualify. Each year a family must re-apply. Waivers are for a maximum of 50% of School Resource Fees. Please note that we are not able to provide waivers for Transportation Fees.

To apply:

A waiver must be completed and submitted with a copy of the family’s most recent GST notice. To finalize the application, the applicant must provide a copy of the GST notice from the government sent in July. This is due by the start of the new school year.

Each waiver application is considered separately. Qualifying families must apply every year.

The application form can be found on the school website under the section entitled “For Parents”. Completed applications and the required supporting documentation is due by April 30 of the preceding school year. 50% of the School Resource fees must be paid by the family. Families will be notified when their application has been approved.

New families that are offered a seat at Calgary Arts Academy can apply for a waiver, provided they meet the qualifications above. The deadline for new families to apply is October 1 of the current school year.

Waivers will be provided and distributed equitably amongst the approved applications, up to the budgeted amount.
