Students who find success in CAA's High School Program are:

- Highly motivated and independent learners
- Resilient and flexible
- Able to thrive in a fast paced and rigorous program
- Willing to challenge themselves artistically
- Have a high interest in and passion for the arts
- Have a commitment to and understanding of CAA pillars

As a public charter school, part of our mandate is innovation. At Calgary Arts Academy, our High School program

- Provides the opportunity for students to specialize in two art forms, while learning to collaborate across disciplines
- Integrates awareness and exploration of careers in the arts into the curriculum to increase the relevance of career opportunities and development of workplace skills.
- Offers the opportunity for students to achieve a Fine Arts Distinction Award by completing 30 credits in the arts, and a Leadership in the Arts course.
- Provides students with the opportunity to learn outside of the classroom, including connecting with the professional arts community. This may require time outside of school hours.
- Addresses areas of financial literacy, work readiness, wellness and goal setting
- Provides students with the opportunity to design their own Special Projects course, so they can deeply experience self-directed study in an area of their passion.
- Allows students to complete Arts Immersion projects in core academic courses.
- Integrate world history/significant world events into the arts curriculum.

Student Enrolment and Expectations

Students accepted into the Program are expected to:

- Participate to the best of their ability and display commitment to all aspects of their learning
- Attend all classes, rehearsals, performances and special events
- Maintain the highest standards of positive digital citizenship
- Collaborate with peers
- Display CAA's Circle of Courage values
- Demonstrate a willingness to work independently and have a responsibility for their education
- Participate in all art forms

Failure to meet the above criteria will result in students being asked to withdraw from our High School program. Further, it is important to understand that participating in our High School program requires a commitment to the end of Year 12. Students that withdraw will be required to return to their designated high school

For Parents/Guardians

Reflecting on the above, please share any thoughts or information about your child that are relevant and/or important.

Where or how did you hear about the Arts Immersion/Pure Art Form Instruction at Calgary Arts Academy?

Artist Fees - Parent Support

Although School Resource Fees (available on our website under “For Parents”), contribute to basic programming, CAA High School students are offered enriched learning opportunities that come at an additional cost. Revenue from Artist Fees provides artist residencies, workshops, guest speakers, offsite activities, etc. We will consult with parents should additional fees, beyond the School Resource Fees be required (to a maximum of \$100.00).

For Student Applicants

Please provide a reflection of why you would like to attend Calgary Arts Academy High School program. Attach a typed response of no more than one page addressing the following:

1. Describe any training or previous experiences that are relative to this application (e.g. private instruction, performance experiences, travel, workshops, competitions, awards)
2. What do you hope to gain from attending CAA’s High School program?
3. What is the most important thing you would like us to know about you?
4. How would you aim to show Belonging, Generosity, Independence and Mastery in your life as a Calgary Arts Academy High School Student?

Please choose two art forms and indicate your first & second choice. You will audition and interview for both.
