5. Principal's Report – Kim Hoey

Thank you to the parents that joined us for student led and parent conferences where students shared their arts, immersion, classroom experience. These conferences provide a wonderful platform for students to showcase their hard work, reflect on their progress, and engage in meaningful conversations about their learning journey and set goals with you.

We are delighted to announce the successful completion of the thrive Parent Learning series. Thank you to School Council for their support in organizing those!

KH: Students at Knob Hill joined the global community in celebrating World water day. It culminated in a sharing assembly and had visual art, poetry, songs all about humans and water and living creatures on Earth. We had a Scholastic Book Fair at the conferences and reached our fundraising goal!

RC: Year 4 to 7 students have started to take Gus the bus over to Erickson Center to use the TransAlta studio space. There is one class going every 5 days. Year 6/7 students also used TransAlta to rehearse for their showcase "Tune-In". Year 9 students have the opportunity to attend a 2 day summit at Connect Charter School. This summit involves many exciting speakers, and an opportunity for them to select their own sessions, to participate in that focus on navigating change, transitioning to high school self-awareness, and advocacy. Year 4/5's are sharing their alien immersion contract at our upcoming sharing ceremony.

EC: Our CAA Pumas badminton team did great at their first tournaments! The High School Showcase is at Vertigo Theatre and the music students showcase is in early May.

Indeygo cookie and muffin dough was successful and we will have leftovers available for purchase. Purdy's chocolate will also be delivered before the April break.
